

Fall 2017

Dear Employee of Westminster Public Schools:

The Westminster Public Schools Foundation has partnered with our school district for over 28 years, providing grants and scholarships to staff and students. During this past school year contributions enabled us to provide over \$215,000 of support for a variety of programs:

- ❑ Teachers and staff were awarded \$3,000 toward teacher projects in partnership with DonorsChoose.org to support Teacher Innovation Funds to improve student achievement.
- ❑ Seventy-nine students received scholarships to fund their Project Lead the Way college credits totaling \$31,212 to pay for 309 college credits.
- ❑ Thirty-one students were awarded a total of \$236,850 in scholarships to support their future educational goals and dreams.
- ❑ The Foundation awarded \$1,900 to each of the 19 schools in the district to support students and families in need as part of the Benevolent Fund.

These programs (and many more!) will continue in 2017-2018. In order to support students and teachers we look for support from those who understand the importance of education. We would like to encourage you to participate in the Charitable Campaign for the Westminster Public Schools Foundation. Your contributions are tax deductible and are returned back to our schools, staff and students.

Please join with us in support of the Westminster Public Schools Foundation and get ready to watch the impact your dollars will make!

Sincerely,
